

Scripps Research

Biotech Innovation Summit

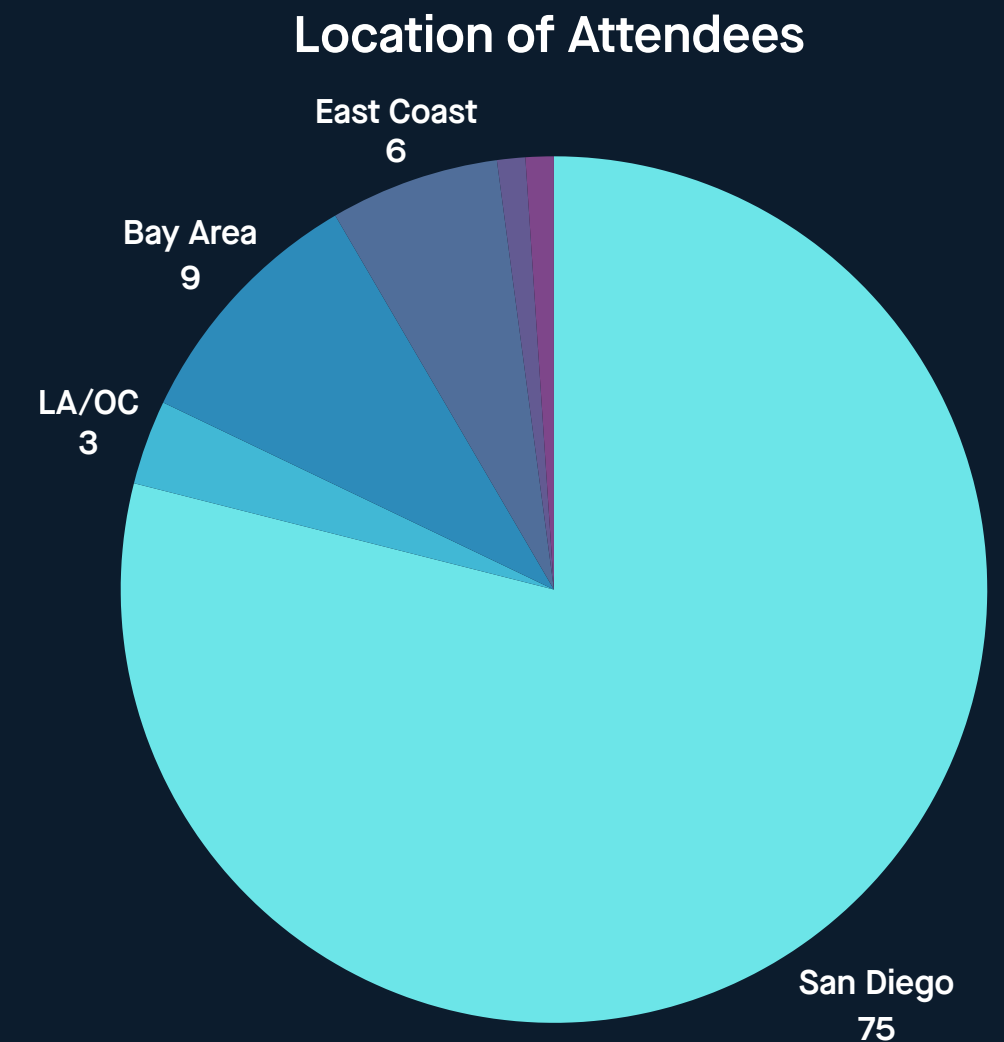

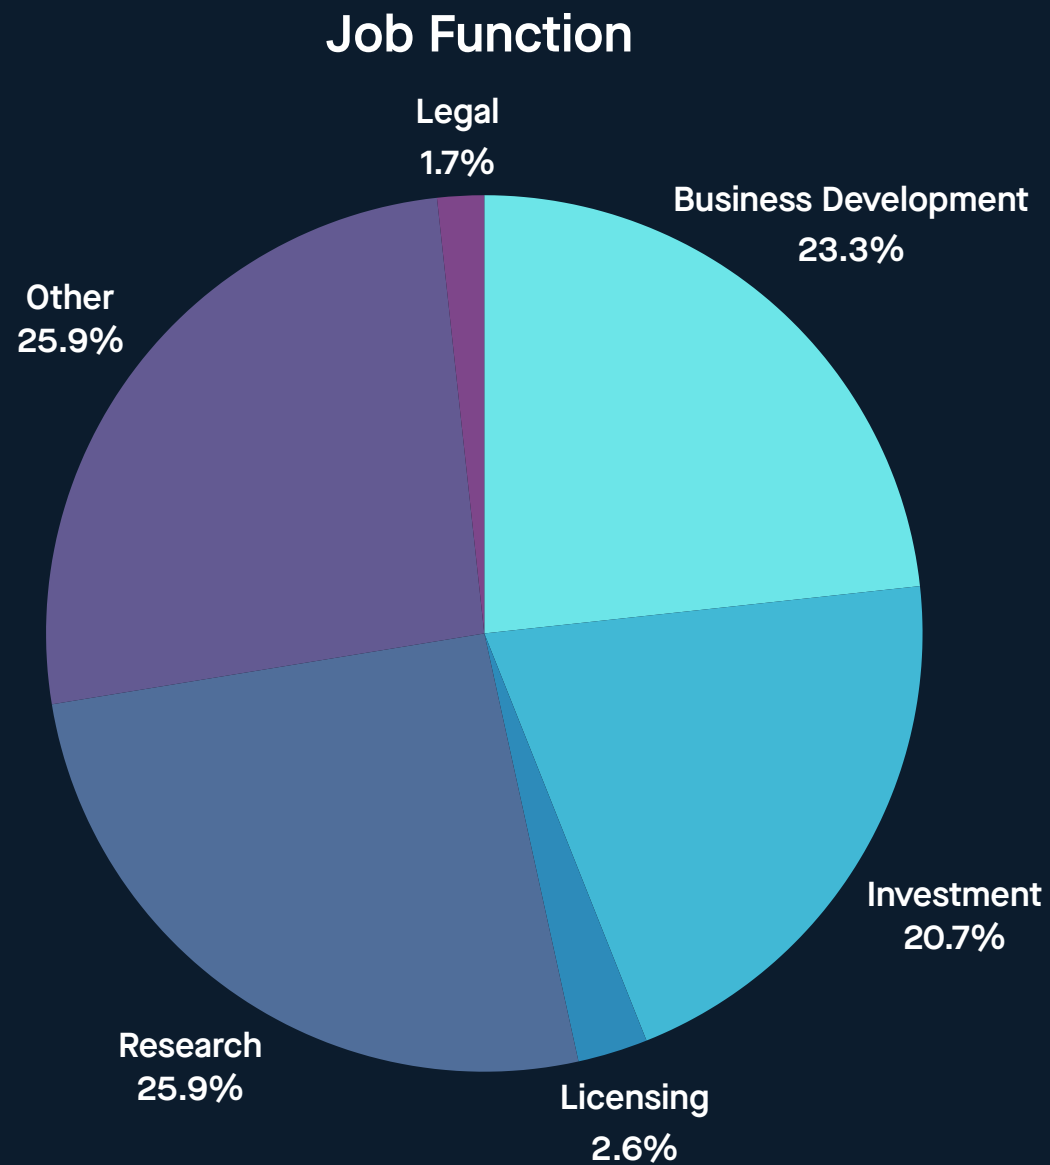

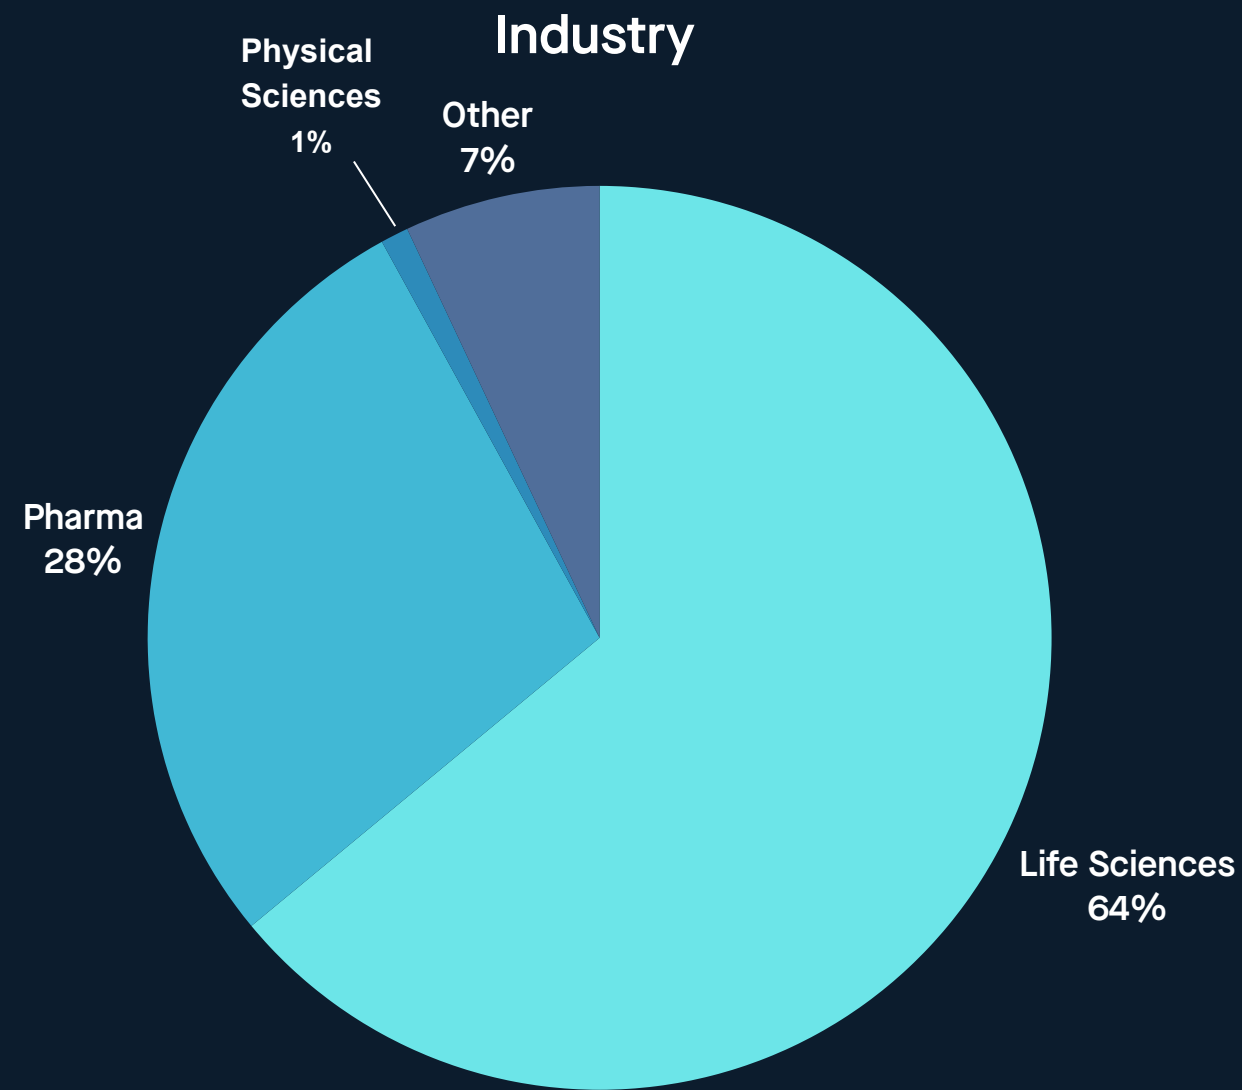

2025 RECAP

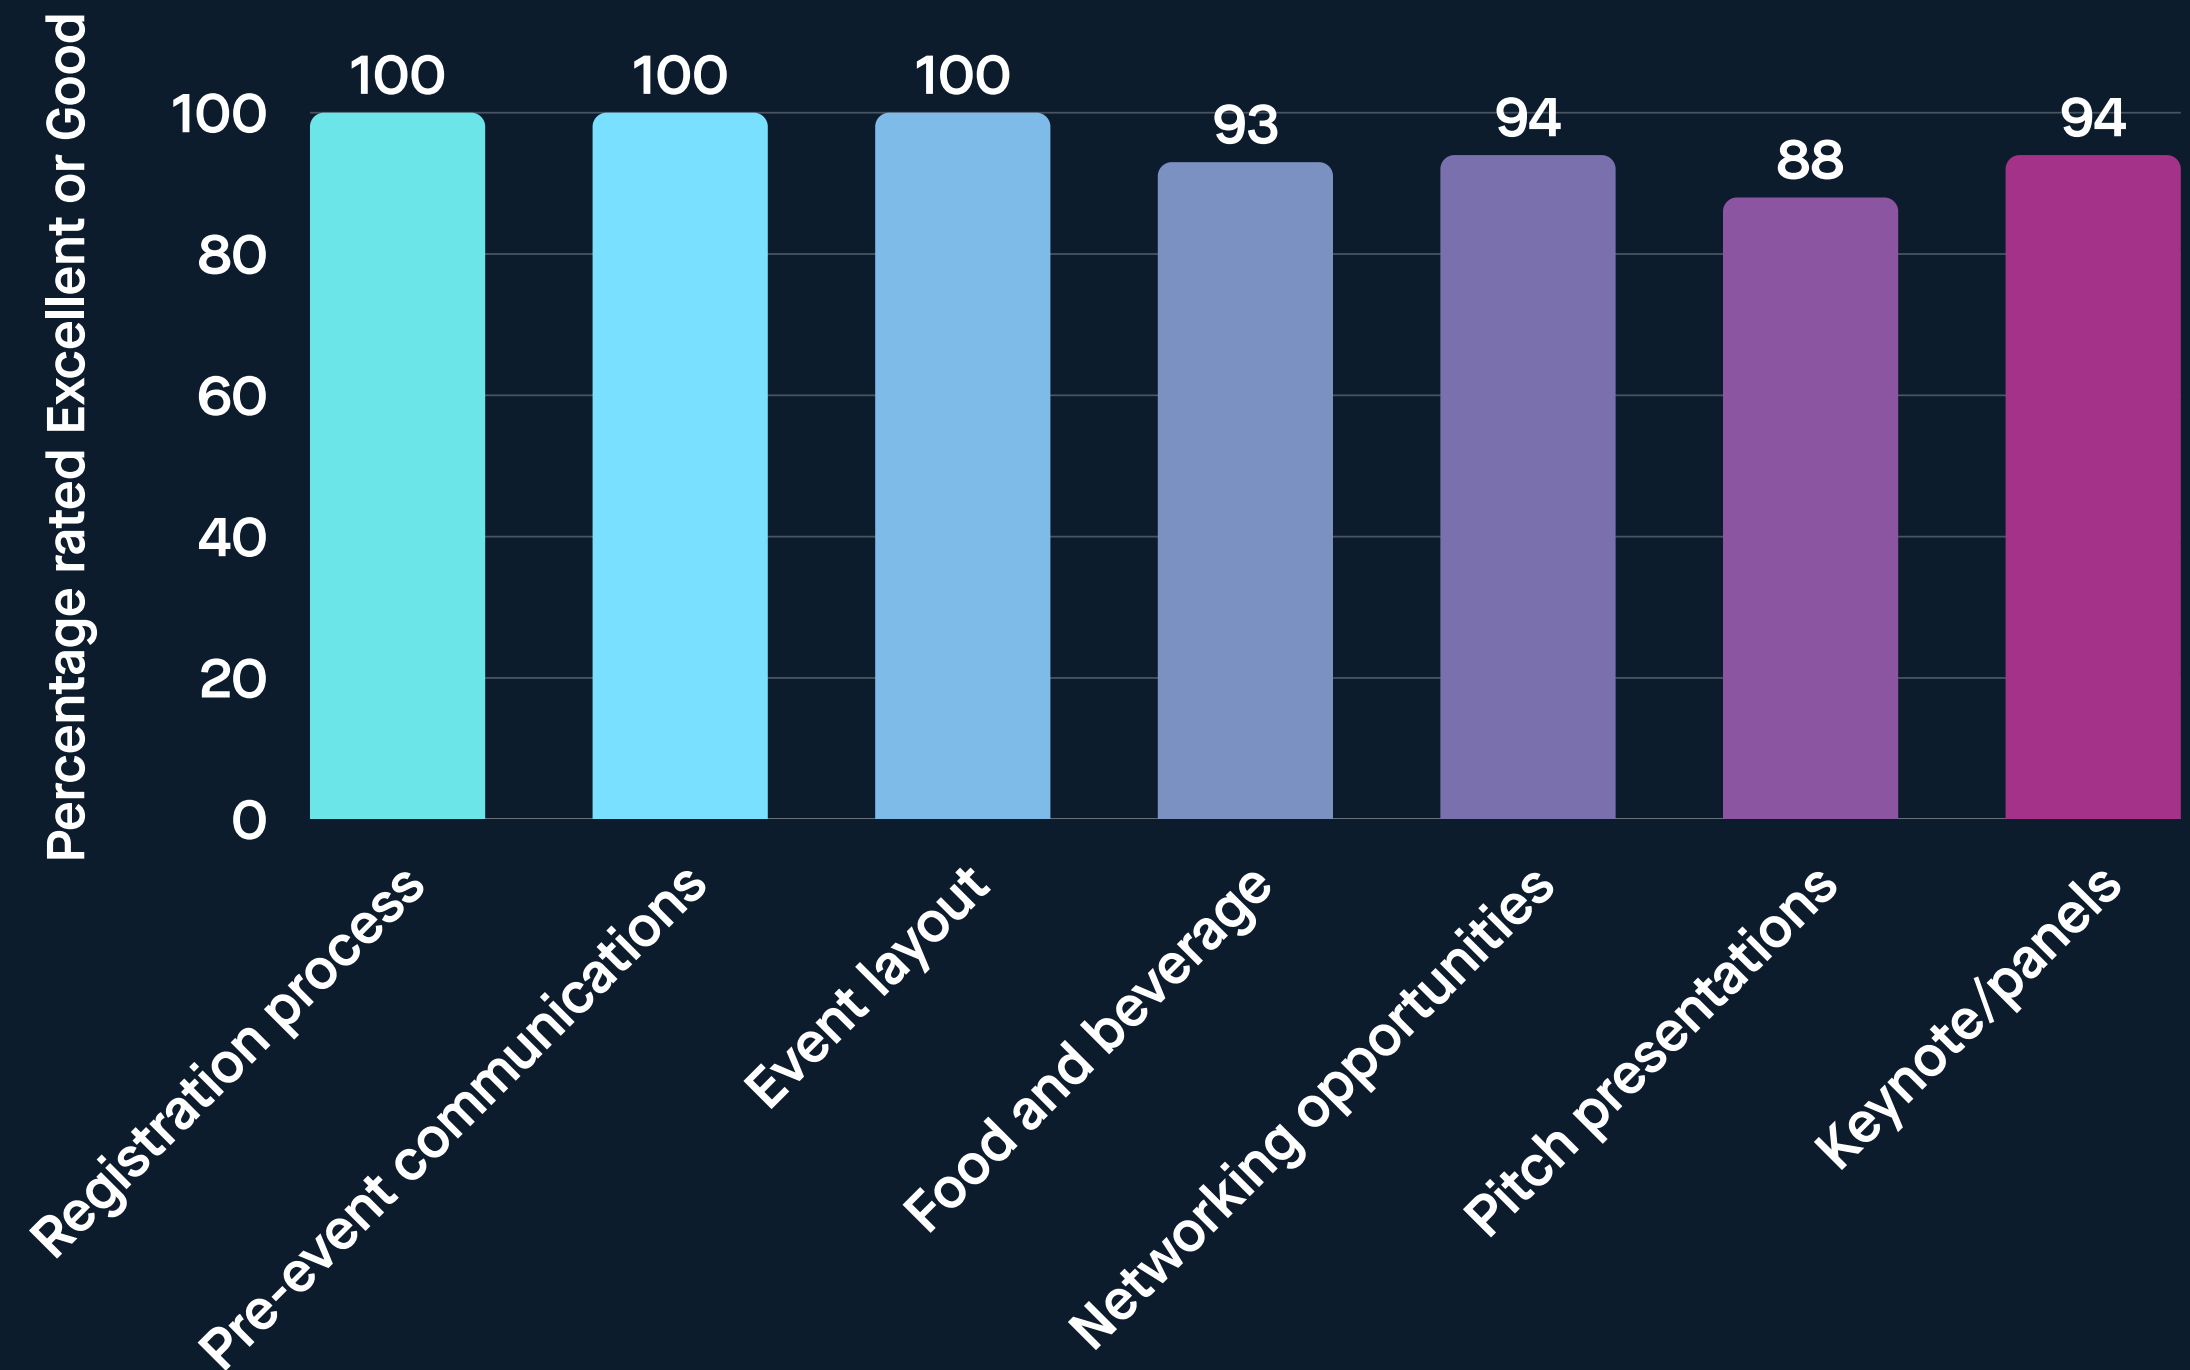

176 attendees

+ 45 Scripps Research staff and faculty members

How would you rate the following components of the event experience?

(Excellent, Good, Fair, Poor)

Attendee testimonials:

“BMS panel and reverse pitch gave valuable insights as take-aways for a neighbor institution for tech transfer”

“Amazing group of people! Super well organized. One of the best events of this style I've been to.”

“The event was well done. It was a great mix of academics, investors, pharma. I enjoyed the content and the sessions were thoughtful, diverse, and relevant to the attendees.”

Wonderful learning experience and a fantastic opportunity to connect with exciting people.”

"Was dialed in the entire day, which is unusual for me at conferences."

Sponsorship Add-On: Lean-In Session Host

+\$2,500 to any level

This year, we're introducing "Lean-In Sessions" designed to encourage candid conversations and new collaborations. During the morning and afternoon networking breaks, we will have small tables dedicated to specific investors and operators, so attendees can more intentionally connect and learn from their expertise.

Benefits include:

- Company branding on table
- Company listed as a Lean-In Session Host in the printed program
- Company recognized for industry expertise
- Curated networking - let them come to you!

Opening Reception and Table for 4

access included in \$7,500 level and above

- The opening reception is an invite-only event held the day before the Summit, including the Strategic Investment Committee, participating PIs, and sponsors.
- This year, we're introducing "Tables for 4" - curated, small-group conversations between investors/operators and Scripps Research investigators developing emerging technologies.
- One investor/operator at a table driving the conversation with 3-4 faculty members, rotating every 10-15 minutes.
- Opportunity to have personal conversations with up to 20 faculty members in a more intimate environment.
- This will be followed by open networking time and refreshments.
